**The Power
of the
Interfaith Story Circle**

**Our Twenty-Fifth
Anniversary Celebration!**

Gert Johnson, founder of the Interfaith Story Circle, will be our primary guest teller. In 1993 she first shared her understanding with others that storytelling – and listening – have the power to change us, to open doors, and to build bridges. For this celebratory circle. Gert, along with others who represent the wide diversity of our circle, will also share stories that demonstrate this power.

Come share your own story about how the Interfaith Story Circle has touched your life, or just come to listen and to celebrate with us. Either way, you will be warmly welcomed!
