The Tent of Abraham

Stories of Appreciating and Caring for Our Earth

Have *you* ever stopped and found *yourself* gazing in awe at the beauty of the natural world? Perhaps a stately tree or a blue sky has caught your attention, or you have marveled at how winter holds the hope of spring? There are many stories about nature in our faith traditions, our cultures and our personal lives. Is there one that has touched you in a special way? **If so, come share it with us, or just come to listen. Either way, you will be warmly welcomed!**

Our annual Tent of Abraham program was initiated in 2006 to celebrate the confluence of the Jewish, Christian, Muslim holy days at that time and continues as a way to build interfaith bridges. Our guest tellers this year will be Zipporah Harris (Jewish), Sabeen Durrani (Muslim) and Bill Roylance (Christian).
