## *Wisdom Tales for Life's Journey*

Our guest storytelling duo, **Frank-Lee Speaking (Frank and Dee Lee Wind)**, are members of the Capital District Humanist Society. Dee, a professional storyteller for 25 years, has a background in drama, speech and theatre. Frank became a storyteller in his retirement, after 25 years of telling stories to his peers and to corporate management at conferences. Together, they have an extensive repertoire of solo and tandem traditional folk tales and original stories.

**Come share your stories related to the theme or just come to listen.
