## *Listening for the Divine Feminine*

Have you felt the feminine Divine tap your shoulder? Were you ready for it? How has the experience changed you? Whether male or female, sometimes we are called to respond intuitively. Our guest teller **Barbara Chepaitis** is author of the acclaimed novels *Feeding Christine* and *These Dreams*. Her most recent novel, *The Amber*, is an example of being called out to get a writing job done. She earned her doctorate in composition and teaches at the College of St. Rose. She is founder of the storytelling trio The Snickering Witches, and a regular host on WAMC's Vox Pop, The Writer's Forum. Barbara admits that life as a writer is full of calls to listen to characters, plot shifts and more. Trusting her intuition is a practice. "But at times I have answered calls that surprised even me."

**Come share your stories related to the theme or just come to listen.  
Either way, you will be warmly welcomed**
